

ASL Print FX's COVID-19 Statement

Updated- March 24th, 2020

Dear Valued Customers,

ASL Print FX & Envelope have been categorized as an essential workplace by the Government of Ontario and will remain open for business. Please be assured that we are monitoring the developing situation with the Coronavirus (COVID-19) closely to ensure the continuity of supply to our customers. We are taking all necessary precautions to limit any impact the virus may have on the business.

To ensure no interruption to our supply, we are monitoring our supply chain closely, working with multiple supply sources, and increasing inventories to mitigate supply shortages. To date, we do not expect any supply issue due to COVID-19.

We will be providing updates as the circumstances evolve via email and on our website. We will continue to monitor the situation to help fulfil the requirements of our customers. Please don't hesitate to reach out to Duncan Bull (duncan.bull@aslprintfx.com) if you have any questions. We will get through this together!

Regards,

Charlie MacLean
President & CEO
